

What Are The Benefits Of Fellowship?

We know that the main reason you're joining the Fellowship is to support the Tall Ships Youth Trust/Sail Training Association - but it's traditional to offer benefits to regular donors so we've developed a range that we hope you'll enjoy.

We also know that you're donating as much as you can – so most of our benefits are available to everyone (just a few have been limited to higher level donors to contain the costs of running the Fellowship and to comply with Inland Revenue rules which restricts what we're able to offer, based on the monetary value of your donation).
